ACTION REQUIRED - REFERENCES																																		
<p>See Below</p> <p>Reference: EGMA-62968, 6 September 1963</p> <p>We note with interest that CATIDE requested a BDC check on GLOBOCNIK, and wonder what their interest in digging into the unsavory past of this notorious character might be. Please ask them. It could be that they are doing this for the boys in Ludwigsburg, but then, Ludwigsburg has its own channel to the BDC. We also note that reference also requested the BDC file on Erich HELBIG (C...), and assume there is no connection, although we would like to have this confirmed.</p>
